

Permission for Field Trips

The Explorers have scheduled their trips for the first semester. Occasionally there is space available on these trips due to absences and we can take child not enrolled in the Explorers Program. If you would like to add your child to the waitlist for any of the following trips please put a check next to the trip(s), sign the form and return to PEDP as soon as possible. We will contact you as soon as we can if there is space for any of these trips. You may wish to keep a copy in order to have the schedule of trips at home.
